## DIRECTIONS FROM THE M4 COMING FROM LONDON

Take the M4 out of London.

Come off at Junction 7.

The slip road will take you along a dual carriageway to a roundabout.

Turn left at the roundabout onto the A4 heading west towards Maidenhead.

After roughly 2 miles you will go over Maidenhead bridge.

Straight after the bridge there is a mini-roundabout.

Turn right at the mini-roundabout, taking a note of your mileage, and head north along the A4094 towards Cookham. The River Thames will be on your right until Boulter's Lock.

The road will take you through a residential area and then across some fields.

After 2.5 miles measured from the mini-roundabout by the bridge, turn left into

the High Street in Cookham village. (If you come to another bridge over the River Thames you have gone too far.)

Go down the High Street and across a small moor.

Go straight over 2 mini-roundabouts which are at either end of a very narrow section of the road with 4 speed humps.

Go past some shops and over a level crossing.

After the level crossing, turn immediately left into High Road by a car park and an Indian restaurant.

Follow the road round a bend to the right and up a slight hill.

Go past a school on your left. After the school the road narrows.

Go past New Road and Halldore Hill on your right and Spencers Lane on your left.

Just after Spencers Lane you will see a white wall on your right in front of a house called Grey Russetts.

Orchard House is the next house on your right hand side after this wall. It has a beech hedge and a gravel drive. Please park your car in the drive.

Take the first turning on your left onto the A404 heading for Maidenhead West and the M40.

Come off at the second exit for A4 Maidenhead and Reading.

Turn right at the roundabout onto the A4 in the direction of Maidenhead.

Directly following this roundabout there is a smaller roundabout. Turn left at this roundabout towards Henley and Pinkneys Green.

Go through Pinkneys Green and past the cricket club on your left.

At the T junction, turn left onto the A308 towards Marlow.

After just under a mile turn right at the fork into Choke Lane.

Turn left into Spring Lane.

This road will turn to the right and take you past St John the Baptist Church on your right. Keep following this road, which is now called Hills Lane, as it twists to the right and to the left on a dangerous bend and goes downhill past Uncle Tom's Cabin.

At the T junction just over half a mile from the church, turn right into Dean Lane. There are some fields on the right.

Just before a built up area turn right up a hill into Whyteladyes Lane.

At the brow of the hill take the first left turn into High Road.

Orchard House is the fourth house on your left. It has a beech hedge and a gravel drive. Please park your car in the drive.
